MAY 2001 NEWSLETTER

Hope this finds everyone enjoying the Spring time weather that we have had.

Due to several conflicts there will NOT be a May meeting. There are people out of town and it just won't work for this month. See you in July.

The Museum will be opening on the 12th. Stop by and say Hello to the new coordinator. Her name is Peggy Short and she's lived in Applegate for many years. She has lots of plans and great ideas. Don't be surprised if she calls you sometime. If any of you have some small old time thing that you would like to display, give Peggy a call. Her number is: 846-6392, she'd love to here from you. She has plans on changing the exhibit every couple months. That allows the locals to see new things.

The Applegate Swine Club did some major clean up on the site in April. They removed weeds from the flower areas, pulled up blackberries and hauled off the mess. They are to spread dirt on the 6th to get ready for the new lawn. Thanks Applegate Swine Club.

Also a BIG THANK YOU to Jim and Carolyn Bottroff for the donation of the dirt. Thanks.

We will be hosting the Jackson County History Museums Association meeting sometime this summer. We will let you know when.

Again there is NO May meeting. Stop by the museum and say Hi to Peggy.

Barbara Niedermeyer AVHS Sec/Tres.
